

مؤجل Mu'ajjal

Legal Action Worldwide is delighted to invite you to the screening of 'Mu' ajjal' - a new documentary featuring the moving stories of women whose family members disappeared and never returned during the Lebanese Civil War. This is accompanied by a live photo exhibition. The event is open to the public at Beit Beirut, Sodeco, on 12-13 October 2021.

The documentary and photo exhibition are part of the "Dealing with the Past" project which is funded by UN Women in partnership with Justice Without Frontiers and the Committee of the Families of the Kidnapped and Missing. The project seeks to empower female sexual and gender-based violence survivors, and relatives of family members who "disappeared" during the 1975-90 Lebanese Civil War.

The documentary and photo exhibition will raise public awareness of forced disappearances during the Civil War and help us encourage greater action to bring justice for those who disappeared and their families.

Join us in support of women and their families, and the thousands who disappeared and never returned.
